

Figures and Statistics of Missing Persons up to 31 December 2018

¹ This figure may change as a result of anthropological, genetic and archaeological analysis.

² This figure does not include 151 individuals who were identified by the CMP but are not on the official list of missing persons.

³ The figure for 2005 includes excavations and exhumations performed by the Turkish Cypriots prior to the current project. Remains recovered from these exhumations were handed over to the CMP in 2006.

¹ All the funds allocated by the European Union to the Committee on Missing Persons since 2007 onwards have been made available under the framework of Council Regulation n°389/2006 of 27 February 2006 establishing an instrument of financial support for encouraging the economic development of the Turkish Cypriot community.
